**The President's Pen**

Remember I mentioned in our last newsletter the idea of getting a big role up to our AGM next year, partly to celebrate the job well done in U3A. Well, to that end, the Committee has booked a room at Brookfield vineyard in Margate (which now is also providing café facilities, 7 days a week). So, coupled with our 2007 AGM, we now aim to provide interesting entertainment showcasing achievements by our classes. We have decided the date for the *AGM/U3A Entertainment* as Friday 23<sup>rd</sup> March. I invite you to plan on being at Brookfield to share with us on that day and discuss among your class a possible item/display to include in the show. Let's make it a memorable event!

Kingborough U3A is growing and the changing demographic of Kingborough with the baby boomer generation will probably give it an extra spurt. Pressures are building for space in and around the business district and we have to work to maintain access to suitable premises in both the short and long term. Fortunately, there is a degree of heritage protection on our Hutchins Street building as it is listed in the Heritage Schedule of the current Kingborough Planning Scheme. We have included, in this newsletter, a questionnaire designed to give us information to substantiate a Kingborough U3A policy position on where we should be located. David Bartlett, the Minister for Education, is visiting our Adult Ed/U3A facility on 3<sup>rd</sup> October and he plans to sit in on one or more classes and to talk with the Committee. I urge you to complete the questionnaire and return it by 17<sup>th</sup> September so we can collate the information in time for David Bartlett's visit.

Classes in Term 2 seem to have been really good, from my observations, and our programmers have done a great job in developing our Term 3 programme. Congratulations to all the committee!

We come into the world as wee gems, usually go through a rough diamond phase of life, and through the years get our various facets cut and polished. Peggy Wolfe, June Young and George Wade to me shone brilliantly as diamonds in their U3A participation during the short time I've been a member. I feel all of us gained something from their individual contributions and we will miss them and remember them.

## **COURSE REPRESENTATIVES – TERM 3**

All U3As rely entirely on volunteers to function.

Tutors give freely of their time and expertise as do committee members.

In Terms 1 & 2, most Course Representative positions were filled by people who volunteered at the time they enrolled for the course. This was terrific - thank you.

Now we need more volunteers to act as Course Representatives for Term 3. So if you know you are going to attend a course, please consider being the Course Representative. Contact a member of the committee if you want to know exactly what being the Course Representative involves.

Please detach the slip below and send with your course enrolment form, if you can help. A member of the committee will contact you to confirm the position.

## QUESTIONNAIRE

**Dear U3A Member,**

Recent commercial developments in Kingston potentially threaten U3A's ability to continue running at our Adult Education facility in the old Kingston Primary School, Hutchins Street.

The land and buildings are "owned" by the Education Department but various bodies are showing interest in acquiring the site for their operations.

U3A is a vital ongoing adult learning institution and is special because we have no entry prerequisites for membership eligibility.

Kingborough U3A Committee is willing to fight to ensure a home for U3A classes into the future but we will need data from all our members to support our position. Hence the attached anonymous questionnaire.

Please help us by answering the questions and returning the completed questionnaire by **17<sup>th</sup> September**.

You may:

- pass it to a member of the Committee
- place it in the Questionnaire Letter Box in the kitchen
- post it to us at:

Kingborough U3A Questionnaire, Post Office Box 479, Kingston 7050
