FROM THE PRESIDENT

As usual it is hard to believe we are approaching the conclusion of another year, the second as U3A Kingborough Inc. To celebrate these first two very successful years, an invitation to meet together on 30th November for an End of Year Luncheon is extended to our members and tutors.

In the meantime, the courses arranged for third term are in full swing. The work of the Committee deserves my grateful thanks as each office bearer in their own way continues to facilitate the smooth running of the program, including promotion and plans for next year.

On the social side, on 13th September we entertained representatives from other U3As – Hobart, Clarence, Cygnet, Tasman – to afternoon tea. The interaction this occasion afforded was valuable and valued by the twenty or so who were present. One outcome from this event is a proposed pamphlet explaining the work U3A does, and where it is done.

In this the last newsletter for 2001, may I be one of the first to wish all members of U3A Kingborough the compliments of the Christmas and holiday season. May it, and the new year 2002, bring us all peace, contentment and interest.

Sheila Given
